

My House
DESIGN/BUILD TEAM

RENOVATIONS &
CUSTOM HOMES

WOW!

that's what our clients say when we complete their renovation. Let **My House** put the "wow" into your next project!

Concept to Completion

My House Design Build Team isn't just known for its award winning work but also for its dedication to workmanship, quality and customer satisfaction. Our experienced and diversified team has an 18 year proven track record, with every project covered by industry leading insurance and performance bonds to protect our customers and their property throughout the entire time of construction.

My House is Built Green Certified to help ensure that our customers get the most energy efficient technologies and practices built into each and every project!
